Tool Search: Course Bank

The Course Bank tool is used to translate the name of courses for custom transcripts and report cards. Options available are based on the active languages created in the Language Groups tool.

This functionality is available to districts that have purchased the Report Translation Module as an add-on service. For more information, contact the appropriate Client Relationship Manager.

Enter Translated Course Name Text

1. Select a language from the Language Group editor.
2. Enter **Translation** text and the **Sequence** number to order the course name options. The Enhanced Transcript and Translated Core Report Card do not use this custom Sequence.
3. Click **Save** when finished.
