Hall Pass Settings - Start here

Last Modified on 11/20/2026 10:45 am CST

Scanning tools are available with Campus Workflow Suite.

Hall Pass Settings allows schools to create designated locations for hall passes to manage student movements within the school. These hall passes can be assigned by teachers in Teacher Hall Pass View, by school staff in Student Hall Pass Lookup, and requested by students within Campus Student.

Tutorials
• Hall Pass Settings Video

How-to guides
• Add a hall pass • Create hall pass groups for classrooms. • Create restricted student groups to prevent students from having hall passes at the same time. • Set substitute teacher hall pass code
