Events - Start here

Last Modified on 10/30/2026 10:29 am CDT

School Store tools are available with Campus Payments.

The Campus Mobile Payments app can be used on a mobile device to process transactions for purchases at district- or school-sponsored events. Before using Mobile Payments, events must be set up in the Events tool.

Getting started
• Mobile Payments Overview Video

Tutorials
• Events Video

How-to guides
• View existing events • Create or edit an event • Define event layout for items to be sold. • Delete an event • Use Mobile Payments to take payments | Video

Reference
• Configure a device for mobile payments.
