Title 1 is a federally funded program designed for the academic achievement of the disadvantaged student. For a student to participate in Title 1 Services, the school must be marked as TAS or SWP on the [Schoo](#) editor. If the school is marked as TAS, Title 1 services must be entered on the individual student's Title 1 tab.

The information entered on the Title 1 Services tab is also reported on the Title 1 Report.

See the core [Title 1](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Title 1 records.

Public School Choice provides students in schools that are in Improvement, Corrective Action or Restructuring status an opportunity to attend a school that is not in Improvement status and is identified by the district as a receiving school. Public School Choice is available to all students in a Title 1 school identified in Improvement, Corrective Action or Restructuring.

This is chosen on the student's Enrollment record.
