Planner Settings

The planner **Settings** allow you to choose the color and sequence of each course in your schedule, as well as display preferences for how the schedule appears and curriculum preferences.

Planner Settings

Sequence selections apply to **Week View** and/or **Day View**. Sequence fields for each section display when a setting is marked.

AP Literature		3600-4	<input type="text" value="5"/>
English 10		3200-12	<input type="text" value="2"/>
		3200-13	<input type="text" value="3"/>
