Tool Search: Assignment Standards Report

The Assignment Standards report provides a list of standards associated with assignments for the selected Section. To be included in the report, standards must first be aligned to a [category](#) and then an [assignment](#) in the Scoring Alignment section.

The screenshot shows the 'Assignment Standards Report' editor options. At the top, there's a green header with the Infinite Campus logo and user information for '23-24 Harrison High'. Below the header, the title 'Assignment Standards Report' is followed by a breadcrumb trail: 'Instruction > Reports > Assignment Standards Report'. The main content area is divided into sections: 'Select Report' with a dropdown set to 'Assignment Standards'; 'Assignment Standards' with a descriptive paragraph; 'Report Options' which includes 'Select Section' (dropdown with '1) 3600-4 AP Literature'), 'Select Standards' (a multi-select box containing 'ELA.1: Key Ideas and Details', 'ELA.2: Craft and Structure', and 'ELA.3: Integration of Knowledge and Ideas'), 'Report Type' (radio buttons for 'List Standards associated with each Assignment' (selected), 'List Assignments associated with each Standard', and 'List Standards not associated with Assignments'), 'Other Options' (checkboxes for 'Only Display Power Standards' and 'Display Full Standard/Description'), and 'Select Terms' (a text box with 'All Terms'). At the bottom, there are buttons for 'Generate PDF', 'Save Options', and 'Apply Options'.

Generating the Assignment Standards Report

1. Select a **Section** to load the list of available standards and additional report options.
2. Select the **Standard(s)** whose associations you would like to review. Multiple standards can be selected.
3. Select which **Report Type** you'd like to generate. Options are:
 - List Standards associated with each Assignment - reports assignments with their aligned standards.
 - List Assignments associated with each Standard - reports assignments grouped by standard.
 - List Standards not associated with Assignments - reports standards with no alignments.
4. Mark the **Only Display Power Standards** checkbox to limit the standards reported.
5. Mark the **Display Full Standard/Description** checkbox to include full standard information, rather than just the name.
6. Select the **Terms** to review. Filters results based on the Due Dates of the assignments.
7. Click **Generate PDF** to view the report in PDF format or click the arrow button next to

Generate to select a different format.
