Tool Search: ASSA

The ASSA Private School for Disable Extract reports student enrollment counts for students enrolled in private schools and considered disabled.

The screenshot shows the 'ASSA Private School for Disabled Editor' interface. At the top, there is a green header with the 'Infinite Campus' logo and a search bar labeled 'Search for a tool or student'. Below the header, the breadcrumb trail reads 'Reporting > NJ State Reporting > ASSA'. The main section is titled 'NJ ASSA Extracts' and contains a description: 'The ASSA is the data collection used to gather the resident and nonresident pupil counts required to calculate school districts' state aid entitlements.' Below this, there are two main sections: 'Extract Options' and 'Select Calendar'. The 'Extract Options' section includes fields for 'Extract Type' (set to 'Private School for Disabled'), 'Effective Date' (set to '02/10/2021'), 'Prior Reporting Date' (empty), and 'Report Format' (set to 'State Format(CSV w/ header)'). A 'Generate Extract' button is located below these fields. The 'Select Calendar' section is a dropdown menu showing a list of school districts: '20-21 Abbott Elementary', '20-21 Baird Elementary', '20-21 Chowen Middle', '20-21 Drew Middle', '20-21 Ewing High', and '20-21 Franklin High'. The interface is titled 'ASSA Private School for Disabled Editor' at the bottom.

Report Logic

Students meeting the following criteria report:

- The student has an active enrollment on or between the prior and effective reporting dates on the editor.
- The student is marked ODL for Sent/Received Student Category.

Report Editor

Field	Description
Extract Type	Determines which ASSA extract generates. For this option, choose Private School for Disabled .
Effective Date	Entered date is used to return students actively enrolled as of that date. Dates are entered in <i>mmddyy</i> format or can be chosen using the calendar icon.
Prior Reporting Date	Entered date reflects the date the extracts were reported last year. Dates are entered in <i>mmddyy</i> format or can be chosen using the calendar icon.
Report Format	Determines how the report displays. Use the State Format when submitting the report to the state department. Use other formats (CSV, HTML, PDF, DOCX) when reviewing student data before submission.
Calendar Selection	At least one calendar needs to be selected to generate the extract.

Generate the Report

1. Select **Private School for Disabled** from the **Extract Type** dropdown list.
2. Enter an **Effective Date** (defaults to the current day) in *mmddyyyy* format or by clicking the calendar icon and selecting a date.
3. Enter a **Prior Reporting Date** in *mmddyyyy* format or by clicking the calendar icon and selecting a date.
4. Select the **Report Format** in which you wish to generate the report.
5. Select at least one **Calendar** from the list of options.
