**Search Terms:** Special Education Extracts

The Table 13 Extract reports a count of students with and without disabilities, ages 3-21, subject to expulsion. Two rows report for each LEA.

The screenshot shows the 'Special Education Extracts' tool interface. At the top, there's a green header with the Infinite Campus logo. Below the header, the title 'Special Education Extracts' is followed by a star icon. A blue bar contains the text 'Special Education Extracts'. Below this, a message states: 'This tool will extract Special Education data for the PA Special Education table reports. Choose the state format to get the file in the state defined format.' The 'Extract Options' section includes two dropdown menus: 'Extract Type' set to 'Table 13 Extract' and 'Format' set to 'HTML'. There are two buttons: 'Generate Extract' and 'Submit to Batch'. Below these, there's a 'Refresh' button, a 'Show top' dropdown set to '50', and a date range selector showing 'tasks submitted between 10/01/2021 and 10/08/2021'. At the bottom, there's a 'Batch Queue List' table with columns: 'Queued Time', 'Report Title', 'Status', and 'Download'. The table is currently empty.
