## Report Logic

A student reports for each unique Course Section combination that qualifies the student to report. A Primary Teacher or Teacher must be assigned to the course section.

The following logic applies to the EOC SUMMER Assessment:

- Reports students in grades 9-12 according to what is selected in the extract editor.
- Assessment Subject must be defined on the Course Editor.
- Assessment Type must be defined on the Course Section Editor.
- The reported term must have an end date that is greater than or equal to the Effective Date entered on the extract editor.
- The reported term must have a start date that is less than or equal to the Effective Date entered on the extract editor.

## Report Editor

The following fields are available for the Pre-Code File Extract. Some options may not appear until the Pre-Code File Extract Type is selected.

<b>Ad hoc Filter</b>	Selection of a filter limits the set of students to only those included in the filter.
<b>Assessment Type</b>	Determines the pre-code file that generates. Choose <b>EOCSUM: EOC Summer</b> .
<b>Select Grades</b>	Indicates which grade levels are included in the extract. All grade levels can be selected, but the EOC Summer extract only reports data for students in grades 9-12.

When there is a larger amount of data chosen (several calendars, large date range, etc.), use the <b>Submit to Batch</b> button, which allows the user to choose when the report is generated. See the <a href="#">Batch Queue</a> article for more information.
