Individual Education Plan Editors

The following table lists the editors available on the student's Individual Education Plan, the section(s) of the print format that include the entered information, a description of what the editor is used for and any special considerations and instructions for using the editor.

Editor	Description	Validation
Education Plan	The Education Plan editor includes the various dates associated with the plan and an indication of who is responsible for making decisions about the student's education.	<p>This editor must be saved before continuing to other areas of the plan. When a Meeting Date is selected or entered, Initiation Date auto-populates to the following day and End Date auto-populates to a year from the Meeting Date.</p> <p>The Creation and Modification information for the plan appears at the bottom of this editor.</p>
Student Demographics	The Student Demographics editor populates basic information about the student such as demographic data, address and school information.	Clicking Refresh Student Information synchronizes the information in the editor with the most recent information about the student, from the Demographics , Households , Enrollments and School tools.
Parent/Guardian Demographics	The Parent/Guardian Demographics Editor populates based on established student/guardian relationships created on the student's Relationships tool or indicated by the guardian checkbox on the Households tool. The editor includes Demographics information for the student's guardian.	Clicking Refresh Guardian Information synchronizes information in the editor with the most recent information from the student's guardian's Demographics and Households tools.

Editor	Description	Validation
Enrollment Status	The Enrollment Status editor reports Special Education information from the student's Enrollment.	<p>Clicking Get Special Ed Status from Enrollment synchronizes the information in the editor with the most recent information from the student's Enrollments tool.</p> <p>There are three versions of this editor. Best practice is to use the third editor. This editor fetches special education data from the student's Enrollment, data which can be edited in the IEP. If values are modified, the student's Enrollment is updated based on the IEP when saved</p>
Team Meeting	The Team Meeting editor lists the team meetings held regarding the student and the participants in those meetings.	<p>Team members must be added in the Team Members tool before entering participants.</p> <p>The Print in Plan checkbox must be marked for the team meeting to appear on the printed document.</p>
