The Family Contact requests contain changes for member's contact information, such as:

- First Name, Last Name, Middle Name (for non-students)
- Gender (for non-students)
- Phone (cell, work, other)
- Primary and Secondary Email Address

These options are determined by the Portal Self Service settings.

> Identity information for enrolled students must be changed on the Demographics tool of the Portal and not in the Family Contact area.

Tool Rights

Staff persons who have rights to the Family Contact Portal Request Processor have two options:

Read Functionality	Write Functionality
Allows a user to view the Family Contact Information Requests if: • The user is assigned Read rights for this Family Contact Information Request tool right AND • The person for whom the request is being made is either related to or in a household with a student enrolled in a school for which they have current year calendar rights.	Allows a user to view, approve and deny the Family Contact Information requests if: • The user is assigned Write rights for the Family Contact Information Request tool right AND • The person for whom the request is being made is either related to or in a household with a student enrolled in a school for which they have current year calendar rights. > Staff who have these rights see the Begin Approval and Deny buttons on the Portal Request Processor.

In addition to these rights, if the staff person does not have rights to other items that require subrights (i.e., Social Security numbers), the user is not able to approve change requests to those items.

View Family Contact Requests
