Tool Search: Extended Learning (ELO)

An Extended Learning Opportunity is a credit-bearing learning experience that takes place outside the traditional classroom. Use the Extended Learning (ELO) tab to track a student's Extended Learning Opportunities. This tab allows you to add, edit, or delete ELO student records. You may also print a summary of all ELO records for the selected student.

Click **New** to create an ELO record. You may add as many ELO records as necessary for each student.

Extended Learning (ELO)

Field Descriptions

Start Date

Indicates the date on which the ELO status began.

▶ [Click here to expand...](#)

End Date

Indicates the date on which the ELO ended.

If the End Date is left blank, state reports *assume* the ELO spanned the course of the current reporting enrollment (this could translate to multiple years of enrollments).

▶ [Click here to expand...](#)

Program Code

The Program Code identifies the Extended Learning program in which the student is participating. This is a required field.

▶ [Click here to expand...](#)

Location Code

The Location Code identifies where the extended learning program is occurring.

▶ [Click here to expand...](#)

Service Indicator

Identifies the type of Extended Learning Opportunities service the student is receiving.

▶ [Click here to expand...](#)

EELTO Service Provider Name

Identifies provider of the Expanded and Enriched Learning Time Opportunities program.

▶ [Click here to expand...](#)

EELTO Service Provider Type

Identifies the EELTO Service Provider Type.

▶ [Click here to expand...](#)

Program Session Code

The Program Session Code indicates the type of Extended Learning program in which the student participates.

▶ [Click here to expand...](#)

Days Duration

The Extended Learning duration in number of days per (ELTP) program.

▶ [Click here to expand...](#)

Sessions

The number of days the student participated in Extended Learning.
