Michigan has defined Homeless fields that are unique to the state of Michigan. Further information on these fields is described below. For information on all other fields, please see the [Homeless](#) article.

Homeless students are defined as:

- Individuals who lack a fixed, regular, and adequate nighttime residence
- Share housing of other persons due to loss of housing, economic hardship, or a similar reason
- Living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- Living in emergency or transitional shelters
- Abandoned in hospitals
