Graduation Data Extract

## Report Logic

Reports all student in state grades 9-12 who are or were enrolled between report generation dates in selected calendar of report generation

- Report Primary and Partial enrollments:
  - If student has both a primary and partial enrollment, report a record for each if Enrollment Status is unique.
  - If student has both a primary and partial enrollment, report one record if Enrollment Status is the same.
- Student does not have to be actively enrolled as of report generation end date.
- Report a record for each enrollment record the student has in the selected calendar.

# Generate the Report

1. Select the **Start Date**. Only enrollment records active on or after this date are considered for the report.
2. Select the **End Date**. Only enrollment records active on or before this date considered for the report.
3. Select which grades are included in report data.
4. Select which calendar(s) will report data.
5. Select the **Extract Format**.
6. Click **Generate Extract** to generate the report immediately or click **Submit to Batch** to schedule when the system will generate the report.
