

# Release Notes for Campus Mobile Payments

Last Modified on 03/15/2024 1:22 pm CDT

A new mobile application has been released for iOS and Android.

Campus Mobile Payments is an app that provides districts with a tool for entering purchases in real-time at events held by the district or a school. The app can be run on an iOS or Android device.

## iOS

The Campus Mobile Payments app for iOS can be downloaded from the App Store.

### Version 1.4.1 (March 2024)

Summary	Description
<b>BBPos Connection Fix</b>	An issue was resolved where the BBPos were connected, but users were unable to proceed to the store front.
