Tool Search: Pupil Count

The Pupil tool allows schools to track Wisconsin State-defined Pupil Count records.

The screenshot shows the 'Pupil Count' tool interface. At the top, there's a header with a user profile icon, the title 'Pupil Count', and a star icon. To the right, there are navigation links: 'Student Information > State Programs > Pupil Count'. Below the header, there's a form for 'Grade' and 'DOB'. A toolbar contains icons for 'New', 'Save', 'Delete', and 'Print Summary Report'. The main content area is divided into two sections: 'Pupil Count Summary' and 'Pupil Count Detail'. The 'Summary' section has a table with columns 'Start Date', 'End Date', 'Program', and 'Residency/Census Status'. The 'Detail' section contains fields for '*Start Date' (with a date picker showing 09/01/2023), 'End Date' (with a date picker), 'Program' (a dropdown menu), and '*Residency/Census Status' (a dropdown menu showing 'NR-66.0301: Non resident - 66.0301'). There is also a 'Comments (up to 255 characters)' text area and a 'District Defined Elements' section at the bottom.
