Logic for Counting Days of Absence

There is an "Attendance Snapshot Time" designated in Calendar Information > Calendar for each School.
Students who are marked absent in the period that contains the snapshot time are considered absent for the day.
Students who are marked present in the period that contains the snapshot time are considered present for the day.
Attendance marks in any other period do not count.
Students with ADA Eligibility = 2, 5, or 6 count one-half day of absence or presence for each instructional day.
Students in Grade = EE must have an overlapping IEP to have attendance days included
