The Minnesota Department of Education (MDE) approves Career and Technical Education Programs (CTE) that meet teacher licensing and other criteria. These programs are eligible to access federal Carl D. Perkins funds. Districts that accept these federal dollars must report enrollment and student proficiency for CTE courses and programs to the department.

Generating the Carl Perkins Extract

1. Indicate which **Calendar(s)** should appear in the report.
2. Select the **Format** in which the report should be generated. Options include State Format (Fixed Width), CSV, XML, and HTML. State Format is used for submitting data to the state while the other formats can be used to review data prior to submission.
3. Select an **Ad Hoc** filter to limit report results to a pre-defined filter.
4. Indicate if Demographics fields should **Report Student Legal Identities When Provided**.
5. If desired, mark the **Exclude Cross-Site Date** to exclude information from cross-site sections and courses.
6. Click **Generate Extract** to generate the report in the indicated format, or click Submit to Batch to schedule when the report will be generated.

Users can submit a report request to the batch queue by clicking Submit to Batch instead of

Generate Extract. This process allows larger reports to be generated in the background without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the [Batch Queue](#) article.
