The following questions are part of the COUR: Courses & Classes questions for CRDC. Expand the Module Instructions section to review information regarding how course and class data is reported.

> **Note:** Results for the SCHR: School Characteristics module must be generated at least once for a given school prior to independently generating results for other modules. If override or calculated answers to grades in SCHR-3 are "No", COUR: Courses & Classes will be skipped. Selecting the Exclude checkbox in SCHR-3 does not affect COUR questions.
>
> When skip logic is provided:
>
> - If the skip logic criteria is met, data are required in the field for a complete submission.
> - If the skip logic criteria is not met, LEAs may omit the data.
