**Generate Extract**

*Testing Roster Extract Editor*

## Generating the Extract

1. Enter the **Date Range**. Active students within this date range, grade and calendar will report.
2. Select which **Grade Level(s)** will report student data.
3. Select which **Calendars** will report data.
4. Select the report **Format**. For submission to the state, select the State Format (CSV).
5. Click the **Generate Extract** button. The extract will appear in a separate window in the designated format.
