Tool Search: SPED Disciplinary Removal Report

The Special Ed Disciplinary Removal Report is a list of all disciplinary incidents involving Special Ed students that have been placed on in-school suspension, out-of-school suspension or have been expelled. This report and its associated elements are reported as designated by business requirements pertaining to the Individuals with Disabilities Education Act (IDEA). Specifically, the data elements in this report are used in relation to a District's Educating Students with Disabilities: Local Plan. Extracted information allows for data-driven decision-making related to alternative placement.

Report Logic

- Reports student/offender-centric data entered in the [Behavior Management](#) tool.
- Produces a list of students from a single calendar or from multiple calendars if data is required in a district-wide format.
- If a Behavior Incident has more than one state resolution, the most severe resolution that corresponds to the incident reports.
- If behavior incident data exists without a current student offender, the incident is not included on the report.
- All disciplinary incidents that have a State Resolution Code = E, EWO, IS, OS, HO, or SP report.
- An expulsion and suspension tied to a single event are only reported once.
- Student must have an active and locked IEP on the Incident Date of the behavior incident for

State Resolution Codes = IS, OS, HO, or SP.

- Multiple student offenders can be reported from the same incident.
- The report will sort by School Number, then Last Name, First Name and Middle Name.
- The report data can be filtered using an Ad Hoc filter.
