3	Temporarily Unsheltered	Student is unsheltered (i.e., lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during the current school year. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. 4	Motel/Hotel	Student lives in a motel or hotel at any time during the current school year. Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”
5	Shelter Transitional	Student lives in a shelter, transitional housing at any time during current school year. Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students <i>does not</i> include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.

Unaccompanied Youth Status Code

Unaccompanied youth indicates a youth not in the physical custody of a parent or guardian. If a student is an unaccompanied youth, the district must indicate whether or not the student received direct services under the McKinney-Vento Homeless Education Program. This program is also known as the TEXSHEP program.
