Tool Search: Enrollments

The Enrollments tool lists all current and historical enrollments for each student in the district. By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyperlinked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date, or End Date. The following information details the enrollment fields specific to **Illinois**.

For additional information, including setting system preferences and guidance on adding and printing Enrollment records, see the core Enrollments article.
