Title 1 programming is a Federal program designed to provide every student with a high-quality education and to achieve the high academic standards set by their state. Each state determines how funds are allocated for the different programs provided.

Fields vary by state. See the State-Specific Information section for more information on Title 1 procedures in your state.

The Title 1 tool captures Title 1 information for individual students.

See the Program Participation Tools Tool Rights article to learn about rights needed to use this tool.

Title 1 school information

Path: School & District Settings > Schools > School Information

Title 1 programs are considered either **Schoolwide** or **Targeted Assistance**.

When a school offers schoolwide assistance, the School History record needs to be set the Title 1 field on their School History to **Schoolwide Program**.

When the school is set to Schoolwide Program, individual Title 1 records are not needed, unless the student's Title 1 services differ from the schoolwide services**.**

Title 1 information for each school in a district is entered on the School Information tool.
