## Title 1 School Information

Title 1 programs are considered either **Schoolwide** or **Targeted Assistance**.

When a school offers schoolwide assistance, the School History record needs to be set the Title 1 field on their [School History](#) to **Schoolwide Program**.

When the school is set to Schoolwide Program, individual Title 1 records are not needed, unless the student's Title 1 services differ from the schoolwide services.

The screenshot shows the 'School Information' form with a sidebar on the left containing 'Save School History' and 'New School History' buttons. The main content area has a 'School Editor' sidebar with 'High School' and 'Original Record' options. The 'High School (050) School History' form is displayed, featuring a 'Program Participation' section with a red border. This section includes a 'Title 1' dropdown menu set to 'Schoolwide Program', a 'Served' dropdown set to 'Delinquent', and a 'Title III' checkbox. Below this is an 'RCCI School' dropdown. The 'USDA Programs' section includes checkboxes for 'School Breakfast Program(SBP)' and 'National School Lunch Program(NSLP)', along with 'Provision' and 'Provision Type' dropdowns, and 'Provision Base Year' and 'Provision End Year' dropdowns. The form is marked as '- Modified by: Unknown'.
