Title 1 programming is a Federal program designed to provide every student with a high quality education and to achieve the high academic standards set by their state. Each state determines how funds are allocated for the different programs provided.

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Title 1 procedures in your state.

Title 1 programs are considered either **Schoolwide** or **Targeted Assistance**.

When a school offers schoolwide assistance, the School History record needs to be set the Title 1 field on their [School History](#) to **Schoolwide Program**.

When the school is set to Schoolwide Program, individual Title 1 records are not needed, unless the student's Title 1 services differ from the schoolwide services.
