Title 1 programming is a Federal program designed to provide every student with a high-quality education and to achieve the high academic standards set by their state. Each state determines how funds are allocated for the different programs provided.

Fields vary by state.

### **Title 1 School Information**

Tool Search: School Information

Title 1 programs are considered either **Schoolwide** or **Targeted Assistance**.

When a school offers schoolwide assistance, the School History record needs to be set the Title 1 field on their <u>School History</u> to **Schoolwide Program**.

When the school is set to Schoolwide Program, individual Title 1 records are not needed, unless the student's Title 1 services differ from the schoolwide services.
