Tool Search: Migrant_Student

The Migrant Student Template reports one record per enrolled student per Migrant Program Participation record that is active at least one day on or between the reporting range selected on the extract editor.

Migrant Student Template Editor

Report Logic

- Reports one record per reportable student's Migrant Program Participation record that is active at least one day on or between the reporting range selected on the extract editor.
- Migrant Participation is considered Active starting on the Last Qualifying Arrival Date up to and including the Eligibility Expiration Date.
- To report, student MUST have a Student State ID that is not null.
- To report, student's Migrant Program Participation MUST have an MSIX ID that is not null.

Report Editor

Field	Description
Submission Schedule	The collection period for the extract.
Start Date	The first day in the date range from which data will report.
End Date	The last day in the date range from which data will report.
Which students would you like to include in the report?	This option allows you to narrow your search results by using one of the following options. • **Grade** - Select a single grade or multiple grades. This is the mapped state grade level code. (CTRL-click or SHIFT-click to select multiple). • **Ad Hoc Filter** - Select a filter to limit results to students included in the filter.
Format	The format in which the report will generate. Options include HTML or Comma Separated (CSV).
Select Calendars	The calendar(s) from which data is pulled for the report.
Generate Report/ Submit to Batch	Users have the option of submitting a report request to the batch queue by clicking **Submit to Batch** instead of **Generate Extract**. This process allows larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.

Report Layout
