Batch Queue List

Queued Time	Report Title	Status	Download
-------------	--------------	--------	----------

Example 12 Course Extract Editor

Report Logic

- All courses set up on or prior to the selected Effective Date report.
- To report, the course must have an SCED code assigned to the course located in Scheduling & Courses > Courses > Course Information > NCES Data > NCES Code.

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.
Extract Type	12 Course
Effective Date	The date from which data is pulled for the report.
Format	Determines the format for the report. Use State Submission when submitting the final data. Use HTML for data review and testing.
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the File Format and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to generate in the background without disrupting the use of Campus.

Report Layout

Element	Logic	Format and Length	Campus Database	Campus Location
