Last Modified on 02/06/2026 9:43 am CST

## Tool Search: Special Ed Documents

The Individual Education Plan is used to capture student special education plan information and match the required documentation provided by the state of Kentucky. This document describes each editor, each field on the editor, and any special considerations and instructions. For information on general functionality, navigation, and additional plan and evaluation features, see the core [Plan and Evaluation Information](#) article.

The current format of this document is the **KY IEP 2023**. Plan formats are selected in the [Special Ed Plan Types](#) tool.

**Considerations of Special Factors for IEP Development**

The ARC MUST address each question below and consider these issues in the review and revision of the IEP.

Does the child's behavior impede his/her learning or that of others?

Yes

If yes, consider, if appropriate, strategies, including positive behavioral intervention strategies and supports to address that behavior.

Working with the student one-on-one in person to help them talk through their ideas helps them figure out what to write.

Does the child have limited English proficiency?

No

If yes, what is the relationship of language needs to the IEP?

## Learner Characteristics Inventory

The Learner Characteristics Inventory editor details the area(s) of a student's disability and the student's learning characteristics.

When "No. Stop here." is selected from ARC Eligibility Determination Response Answer to Eligibility Determination within the Alternate Assessment Participation Guidelines editor, this editor is **NOT** available for the user.

When "Yes. All participation..." is selected from ARC Eligibility Determination Response Answer to Eligibility Determination within the Alternate Assessment Participation Guidelines editor, this editor **CANNOT** be placed in a Not Needed status and must be completed by the user.

When this editor is Complete but data is then removed from the Alternate Assessment Participation Guidelines editor, this editor is automatically placed in a Not Needed status.
