Add Student signature line on the Behavior Detail Report	<p>Setting this option to Yes adds a Student signature line to the Behavior Detail Report.</p>

Option	Description
Require Behavior Approver for Behavior Response	Setting this option to Yes requires a Behavior Approver to be selected when entering a Behavior Response.
Require Behavior Resolution before Behavior Incident can be set to complete	Setting this option to Yes requires a resolution be assigned to a behavior incident before that incident can be marked as complete. This allows behavior and attendance to remain in sync.
Lock Behavior Discipline Incidents that have a Status of Complete	Setting this option to Yes locks all behavior discipline incidents (does not affect behavior award incidents) that are marked complete. An additional tool right is required to unlock and edit completed incidents.
Require Participant before Behavior Incident can be set to Complete	Setting this option to Yes requires a participant to be associated with the Behavior Incident before it can be marked as complete.
Require Participant before Behavior Referral can be submitted	Setting this option to Yes requires a participant to be associated with the Behavior Referral before it can be submitted.
