Tool Search: Journal Batch

This functionality is only available to customers who have purchased Campus Point of Sale as add-on functionality.

The Journal Batch Report will batch print monthly transactions detail and account balance information. This report is also available for parents/guardians to view on the Portal.

Journal Batch Report Editor

Report Logic

- Journals print with addresses from Census > Household > Addresses. The patron must also have a Mailing Relationship indicated on the Census > People > Relationships > Primary Household Relationships.
- Family accounts only print one report per mailing address with all patrons listed, according to the selected criteria.
- Campus prints statements without address information for the following:
 - Patrons without any mailing address selected.
 - Patrons without any relationships selected for mailing.
- Campus prints statements for each address when multiple mailing addresses are selected for a single patron.
