The Individual Education Plan is used to capture student special education plan information and match the required documentation provided by the state of Pennsylvania. This document describes each editor, the section(s) of the print format that include the entered information, a description of each field on the editor, and any special considerations and instructions. For information on general functionality, navigation, and additional plan and evaluation features, see the core <u>Plan and Evaluation Information</u> article.

The current print format of this document is the **PA IEP 2025**. Plan formats are selected in <u>Plan Types</u>.

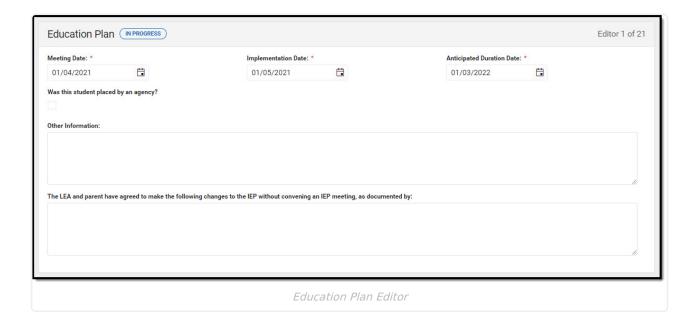

## **Education Plan**

The Education Plan editor includes the various dates associated with the plan, why the IEP meeting

was held, and how student progress is reported.

This editor must be saved before entering data into other editors.
