Evaluation Templates provide the format from which staff evaluations are created. Once Evaluation Templates are created, administrators can [Generate Evaluations for Supervisors to Use](#) and supervisors can [Generate New Evaluations for Employees](#).

When you create an Evaluation Template, you can define which components of the Evaluation are required by the district. Supervisors can mark additional components as required when they generate the employee evaluation.

You can complete the following tasks on the Evaluations tab.

- [Create Evaluation Templates](#)
- [Preview a Sample Evaluation](#)
- [Edit Evaluation Templates](#)
- [Copy Evaluation Templates](#)

The screenshot displays the 'Evaluations' tab in the Infinite Campus system. It features a navigation bar with 'Evaluation Periods', 'Rating Scales', 'Category Bank', and 'Evaluations'. Below the navigation bar are three buttons: 'New', 'Copy', and 'Preview Sample Evaluation'. The main content area is split into two panels. The left panel shows a table of evaluation templates, and the right panel shows the 'Edit Evaluation' form.
