Code	Name / Description																																				
BRL_WIDA	Braille (BR)																																				
EA_MT	Student is provided an embedded multiplication table																																				
EA_NumTbl	Student is provided an embedded hundreds chart																																				
ENU-Braille	Refreshable Braille and an embosser for the online assessment																																				
ESN	Student is provided a Spanish toggle for the online assessment																																				
ESN_EL	Spanish Toggle																																				
EST	Extended Speaking test response time (ES)																																				
HG	Handwriting (HW) for ACCESS Online Writing Domain, Grades 4-12 Only																																				
HHF	Student is provided a hard of hearing feature on the online assessment																																				
HOH	Student is provided a hard-of-hearing form																																				
HR_ALL	Human Reader (including items measuring reading comprehension)																																				
HR_XRD_EL	Human Reader except items testing reading comprehension																																				
IHR	In-person human reader (IR)																																				
LPP_MA_EL	Large print paper test format for summative assessment																																				
LPP_WIDA	Large Print (LP)																																				
MCA	Manual control of item audio (MC)																																				
NEA_Abacus	Student is provided access to an abacus																																				

NEA_AR	Student is allowed to use an alternative indication of response
NEA_BD	Student is provided an approved, bilingual word-to-word dictionary
NEA_BD_EL	Student is provided an approved, bilingual word-to-word dictionary
NEA_Braille	Student is provided a Braille paper test format
NEA_Braille_MA	Braille paper test format for summative assessment
NEA_BT	Student is provided Braille transcript for the online audio items
NEA_Calc	Adaptive and/or handheld calculator for allowed items in mathematics
NEA_FreBreak	Student is provided with additional breaks
NEA_FreBreak_EL	Student is provided with additional breaks
NEA_HHHAC_MA	Adaptive and/or handheld calculator for all mathematics items
NEA_HHHAC_SC	Student is provided adaptive/handheld calculator for all items on science
NEA_HHHAC_ALT	Student is provided an adaptive/handheld cal for all items (universal feature)
NEA_IndividualIR	Student is provided access to their own resources
NEA_LP	Student is provided a large print paper test format
NEA_MT	Student is provided a non-embedded multiplication table
NEA_NumTbl	Student is provided a non-embedded hundreds chart
NEA_RA_Self	Student is permitted to read aloud to self
NEA_RA_Self_EL	Student is permitted to read aloud to self

NEA_Scribe	Student is provided access to a scribe
NEA_Scribe_WIDA	Scribe (SR)
NEA_SP	Student is provided a paper test format
NEA_SP_EL_MA	Paper test format for the summative assessment
NEA_STT	Student is provided access to non-embedded speech-to-text
NEA_TI	Student is tested individually
NEA_TI_EL	Student is tested individually
NEA_WordPred	Student is provided word completion via a non-embedded software program
NEDS_ColorPaper	Student is provided with acetate film for paper assessments (designated feature)
NEDS_HR3	Student has text read aloud by a human reader (designated feature)
NEDS_Mag	Student is provided with assistive technology to magnify/enlarge
NEDS_SoundAmp	Student is provided access to a sound amplification system
NEDS_SpecFurn	Student is provided use of special furniture or equipment for viewing the test
NEDS_SpecLight	Student is provided special lighting conditions (designated feature)
NEDS_TimeAlter	Time of day for testing altered
RDT	Recording device and transcription (RD)
RHR	Repeat in-person human reader (RP)
RIA	Repeat item audio (RA)
SDR_ASL	Interpreter signs test directions in ASL (SD)
TDS_AddDir_All	Student is provided a visual human reader (designated feature)
TDS_AS1	Student is provided ASL videos to interpret audio items

TDS_AudioScr1	Student is provided audio transcriptions
TDS_ClosedCap1	Student is provided Closed Captioning for online audio items
TDS_CoWriter1	Student is provided embedded word completion
TDS_DC_Bas_SBAC	Student is provided the online basic calculator for all mathematics items
TDS_DC_Sci_SBAC	Student is provided the online scientific calculator for all math items
TDS_Dictation_1	Student is provided access to embedded speech-to-text
TDS_PM1	Permissive mode to access assistive technology device(s)
TDS_PoD_StimTDS	Student is provided print on demand for the online assessment
TDS_SLM1	Student is provided streamline format of the online assessment
TDS_TTSTracking	Student is provided text-to-speech tracking
TDS_WL_ArabicGloss	Built-in translated online glossary: Arabic
TDS_WL_BurmeseGloss	Built-in translated online glossary: Burmese
TDS_WL_ESNGlossary	Built-in translated online glossary: Spanish
TDS_WL_MandarinGloss	Built-in translated online glossary: Mandarin
TDS_WL_VietnameseGloss	Built-in translated online glossary: Vietnamese
WP	Word processor or similar keyboarding device (WD)
XLD	Exempt - Listening
XRD	Exempt - Reading
XSD	Exempt - Speaking
XWD	Exempt - Writing
