Tool Search: Attendance Change

The Attendance Change Tracking report allows you to view student attendance events in the selected section based on the date range entered. This report includes both attendance events that are added, such as when a student is marked as absent, and changes to recorded attendance, such as when an absence is changed to a tardy.

The **Enable Attendance Auditing System Preference** must be set to Yes to include data in this report.

The screenshot shows the 'Attendance Change Tracking Report Editor Options' interface. At the top, there is a navigation bar with the Infinite Campus logo, a search icon, and the school name '23-24 Harrison High'. Below the navigation bar, the page title is 'Attendance Change Tracking Report' with a star icon. A breadcrumb trail shows 'Instruction > Reports > Attendance Change Tracking Report'. The main content area is divided into several sections: 'Select Report' with a dropdown menu set to 'Attendance Change Tr...'; 'Attendance Change Tracking' with a descriptive paragraph; 'Context' with dropdowns for 'Term' (1 - (07/01/23 - 09/29/23)) and 'Section' (1) 3600-4 AP Literature (...); 'Report Options' with 'Start Date' (10/12/2023) and 'End Date' (10/19/2023) fields, and a checked checkbox for 'Include Secondary Teacher Names'. At the bottom, there are buttons for 'Generate PDF', 'Save Options', and 'Apply Options'.

Report

A Calendar must be selected in the Campus toolbar in order to generate.

1. Select the **Term** and **Section** for which you want to view attendance data.
2. Enter a **Start** and **End Date** to report attendance events on or between those dates.
3. Mark the checkbox to **Include Secondary Teachers** in the report.
4. Click **Generate PDF** to view the report in PDF format, or click the arrow button next to **Generate** to select a different format, either in DOCX or CSV.

The report begins with a header that includes school details, including calendar and address, the generation date, and the date range reported.
