Last Modified on 12/14/2025 8:45 pm CST

Tool Search: My Food Service

This functionality is only available to districts who have purchased [Point of Sale](#) and have turned on Online Payments for Food Service at the district level.

The My Food Service tool allows you to add money to your Food Service account and view your food service account details including purchases, deposits, and adjustments.

If your district uses barcode scanners, you can open this tool on your mobile device and have the cashier scan your barcode. The Food Service Barcode is only available if you also have a Food Service PIN.
