The Profile Student Enroll submission enhances Vermont's ability to efficiently and accurately manage, analyze, and use education data.

Example 4 PS Enroll Extract Editor

Report Logic

- All Students with any enrollment on or prior to the Effective Date report.
- Students are NOT included if their enrollment is marked as State Exclude.
- If the student has more than one enrollment that meets the previous requirements, a record reports for each enrollment.
- Multiple enrollments report if the student has two or more ENORGIDs in a Supervisory Union or District.

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.
Extract Type	4 PS Enroll
Effective Date	The date from which data is pulled for the report.
File Format	Determines the format for the report. Use **State Submission** when submitting the final data. Use **HTML** for data review and testing.

Field	Description
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select *HTML* for the **File Format** and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking **Submit to Batch** instead of **Generate Extract**. This process allows larger reports to generate in the background without disrupting the use of Campus.
