## Report Logic

Student who have any enrollment in the calendar that is prior to the entered Effective Date are included in the report, unless their enrollment record is marked as State Exclude.

The Course must have a SCED code assigned to it to be included (Scheduling > Courses > Course > NCES Data > NCES Code).

## Report Editor

Field	Description
<b>Submission Code for File Name</b>	Indicates the report naming convention based on the submission time frame of the report.
<b>Extract Type</b>	Indicates which extract generates. For this instance, select <b>14a Stu Section Enrollment</b> .
<b>Effective Date</b>	Indicates the date from which data is pulled for the report. This field auto-populates with the current date; use the calendar icon to select a new date or enter a new date in <i>mmdyy</i> format.
<b>Format</b>	Determines the format for the report. Use <b>State Submission</b> when submitting the final data. Use <b>HTML</b> for data review and testing.
<b>Report Legal Identities</b>	When marked, the student or staff name and gender report from the Protected Identities Information on the Identities record.
<b>Select Calendars</b>	The calendar(s) from which data is pulled for the report. This option is only available when generating the <i>HTML</i> for the <b>File Format</b> and can assist with verifying data for individual calendars.
<b>Generate Report Submit to Batch</b>	Users have the option of submitting the report request to the batch queue by clicking <b>Submit to Batch</b> instead of <b>Generate Extract</b> . This process allows larger reports to generate in the background without disrupting the use of Campus.

## Generate the Report

1. Select the appropriate **Submission Code for file name** from the dropdown.
