Code	Description	Definition
0	Not Title I	The student attends a school that is not designated by the district as a Title I, Part A School and the student does not receive any services funded by Title I, Part A, or the student attends a Title I, Part A Targeted Assistance School, but does not presently participate in services funded by Title I, Part A and has not previously participated in Title I, Part A services at the school in which the student is currently enrolled.

9	Homeless	The student does not attend a school that is designated by the district as a Title I, Part A School; however, the student receives Title I, Part A services because the student is homeless. See state documentation for further information in determining a student who qualifies as homeless.
A	Facility for Neglected	The student resides in a facility for the neglected, attends a non-Title I Campus, and receives Title I, Part A services through a Title I; Part A Program that is run through the Central Administration Office. "Neglected" students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as "A" if they do not attend a school-wide or targeted assistance campus. Such students who attend a Title I campus would be coded "6," or "7," as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded "A."
