Curriculum Report

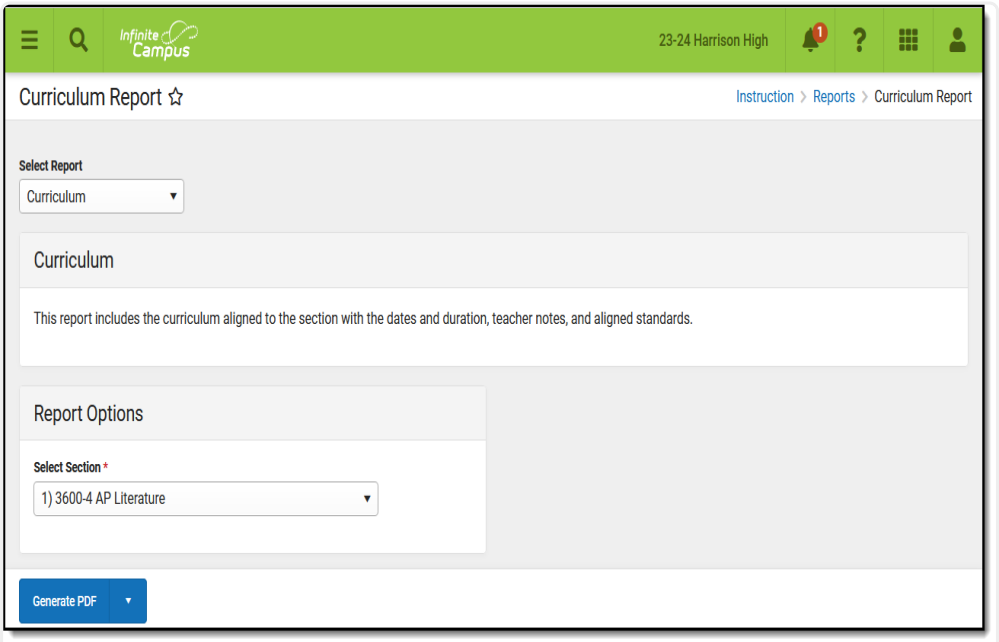

Last Modified on 10/28/2026 4:27 pm CDT

This tool is available with Campus Learning Suite.

Tool Search: Curriculum Report

The Curriculum report provides a list of your curriculum for a section, including assignments, resources, and folders, to provide an overview of your curriculum.

Use this report to view the trajectory of your curriculum and how assignments and activities fit together.

Generate a report of all curriculum assigned to a section.

Generating the Curriculum Report

1. Select a **Section** to view items in that section.
2. Click **Generate PDF** to view the report in PDF format or click the arrow button next to **Generate** to select a different format.

This report includes Folders, Resources, and Assignments. The **Curriculum Focus** field reports information entered in the Notes area of the assignment that are visible to teachers only. **Standards** listed are those aligned in the Grading section of the assignment.
