Void a Fee Assignment, Payment, or Adjustment

Important Information About this Process

- Deposits cannot be voided, only refunded.
- Voiding a Fee Assignment also voids all Payments and Adjustments attached to the assignment.
- If a payment transaction originally included surplus funds which were then reallocated to another fee, the original payment cannot be voided. Later payments made with the surplus funds must first be voided before the original payment can be voided.
- When voiding a fee that was paid using an online payment, this message appears:

Clicking **Continue** voids the payment and deposits the amount of the online payment into the surplus, and the payment can **NOT** be refunded in the <u>Payments Reporter</u> tool.

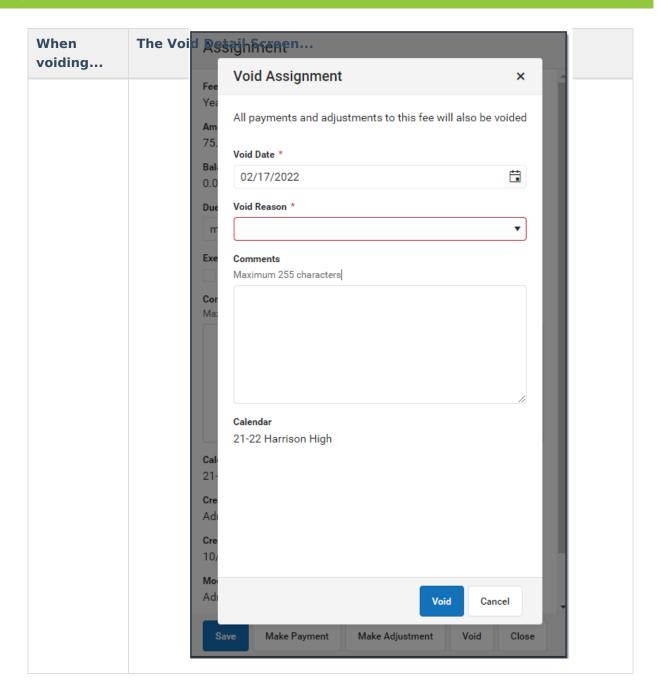

Clicking **Cancel** does **NOT** void the online payment through the Fees tool. Instead, you can use the <u>Payments Reporter</u> to refund the payment.
