## Tool Search: Assignment Standards Report

The Assignment Standards report provides a list of standards associated with assignments for the selected Section. To be included in the report, standards must first be aligned to a [category](#) and then an [assignment](#) in the Scoring Alignment section.

The screenshot shows the 'Assignment Standards Report' editor interface. At the top, there's a green header with the Infinite Campus logo and user information (23-24 Harrison High). Below the header, the title 'Assignment Standards Report' is displayed with a star icon. A breadcrumb trail shows 'Instruction > Reports > Assignment Standards Report'. The main content area is divided into sections: 'Select Report' with a dropdown menu set to 'Assignment Standards'; 'Assignment Standards' with a descriptive text box; 'Report Options' which includes a 'Select Section' dropdown (set to '1) 3600-4 AP Literature'), a 'Select Standards' tag-based selector (with tags for 'ELA.1: Key Ideas and Details', 'ELA.2: Craft and Structure', and 'ELA.3: Integration of Knowledge and Ideas'), 'Report Type' with three radio button options (the first is selected), 'Other Options' with two checkboxes ('Only Display Power Standards' and 'Display Full Standard/Description'), and 'Select Terms' with a text input field (set to 'All Terms'). At the bottom, there are three buttons: 'Generate PDF' (with a dropdown arrow), 'Save Options', and 'Apply Options'.

## Assignment Standards Report Editor Options

## Generating the Assignment Standards Report

1. Select a **Section** to load the list of available standards and additional report options.
2. Select the **Standard(s)** whose associations you would like to review. Multiple standards can be selected.
3. Select which **Report Type** you'd like to generate. Options are:
  - List Standards associated with each Assignment - reports assignments with their aligned standards.
  - List Assignments associated with each Standard - reports assignments grouped by standard.
  - List Standards not associated with Assignments - reports standards with no alignments.
4. Mark the **Only Display Power Standards** checkbox to limit the standards reported.
5. Mark the **Display Full Standard/Description** checkbox to include full standard information, rather than just the name.
6. Select the **Terms** to review. Filters results based on the Due Dates of the assignments.
7. Click **Generate PDF** to view the report in PDF format or click the arrow button next to **Generate** to select a different format.

This example is of Assignments associated with each Standard.
