## Generating the Assignment Standards Report

1. Select a **Section** to load the list of available standards and additional report options.
2. Select the **Standard(s)** whose associations you would like to review. Multiple standards can be selected.
3. Select which **Report Type** you'd like to generate. Options are:
  - List Standards associated with each Assignment - reports assignments with their aligned standards.
  - List Assignments associated with each Standard - reports assignments grouped by standard.
  - List Standards not associated with Assignments - reports standards with no alignments.
4. Mark the **Only Display Power Standards** checkbox to limit the standards reported.
5. Mark the **Display Full Standard/Description** checkbox to include full standard information, rather than just the name.
6. Select the **Terms** to review. Filters results based on the Due Dates of the assignments.
7. Click **Generate PDF** to view the report in PDF format or click the arrow button next to **Generate** to select a different format.

This example is of Assignments associated with each Standard.
