The 063 Staff Member Class Assignment extract reports information about staff members' assignments to specific classes to EIS.

The 060 extract should be submitted prior to submitting the 063 extract.

See the [EIS Batch Transmission](#) article for an overview of the EIS Batch Transmission File, logic that applies to all extracts, and generation instructions.

Report Logic

A record reports for each staff member tied to a Section that includes any of the following students:

- Students with a Primary or Partial enrollment in the Primary School.
- Students with a Primary enrollments in the Primary School and a subsequent enrollment in a Service School.

A record reports for each staff member with a Staff History record assigned to a section in the Primary School, including Primary teachers and those with a Role of CT: Co-Teacher. Staff members must be actively employed in the district to report. Staff members tied to sections reporting based on student's Service School enrollments are counted for the student's Primary School.

Exclude Logic

The following records are not included in the 063 extract:

- Staff
 - Staff History records associated with Courses that have no State Code or that are marked Exclude or are in Calendars marked Exclude. (Only applies to Service School teachers.)
 - No Social Security Number or an Assignment Code.
 - Not marked as a Teacher on their District Assignment.
 - No email address entered on the Demographics tab.
- Student (Only applies to Service School teachers.)
 - No Student State ID.
 - Multiple enrollments with a Service Type of P, multiple enrollments of any type in the same school, or any enrollment with a Service Type of N.
 - Enrollment marked as No Show or State Exclude, or enrolled in a calendar or grade level

marked as exclude.

- Course/Section (Only applies to Service School teachers.)
 - Not uploaded to EIS via the [EIS 030 Class Section extract](#).

Excluded records are included in the warning report.

If a record was previously reported and then marked as exclude, a delete record will be sent to EIS for each record.

The **Record Key**, which helps determine the Type of record sent (New, Edit, or Delete), is comprised of the Record ID, Record Version, District ID, School ID, School Year, Instructional Program Number, Staff Social Security Number, Teacher License Number, Local Class Number, and Staff Class Begin Date.

Recommended District Setup

Campus does not support reporting students who have Service School enrollments across districts. For students attending Service School classes in another district, complete data entry for scheduling, attendance, and grades in both the Primary and Service schools.
