This functionality is only available to customers who have purchased Campus Point of Sale as add-on functionality.

Tool Search: Funds Transfer

The Funds Transfer Report provides detailed information about all fund transfers which occurred on a specific day, period of time or month.

The screenshot shows the 'Funds Transfer Report' configuration page. At the top, there is a green header with the Infinite Campus logo and a hamburger menu icon. Below the header, the page title is 'Funds Transfer Report' with a star icon, and a breadcrumb trail reads 'Food Service > Reports > Funds Transfer Report'. A blue bar below the title contains the text 'Funds Transfer Detail Report'. Underneath, a message states: 'This report prints the funds transfer detail during the input period.' The main configuration area is titled 'Which school year and period would you like to include in the report?'. It includes several fields: 'School Year' with a dropdown menu set to '20-21'; 'Summary Type' with radio buttons for 'Daily' (selected), 'Period', and 'Month'; 'Date' with a text input '08/25/2020' and a calendar icon; 'Date Type' with radio buttons for 'Transaction Date' (selected) and 'Post Date'; 'Sort Option' with a dropdown menu set to 'Transaction Date'; and 'Report Format' with radio buttons for 'PDF report' (selected) and 'Comma Separated Values (CSV)'. At the bottom of the form are two buttons: 'Generate Report' and 'Submit to Batch'. Below the form, the text 'Funds Transfer Editor' is displayed.

## Generating the Report

To generate the Point of Sale Funds Transfer Report (see the table below for field definitions):

1. Select the **School Year** for which to generate the report.
2. Determine the **Summary Type**.
3. Enter the **Date** for the report.
4. Select a **Date Type**.

5. Select a **Sort Option** for the report.
6. Select whether the report results should be generated as a **PDF** or **CSV**.
7. Click the **Generate Report** button OR the **Submit to Batch** button.

**Result**

The report generates in PDF or CSV format, noting the transfers that occurred during the chosen date range
