## Assignments Mode Report Editor

The following options are available on the Assignments Mode Report editor.

Field	Description
<b>Fees Selection</b>	The <b>Select District Fees</b> section is populated with all fees entered for the district. Multiple fees can be selected. If a <b>School</b> is set in the Campus Toolbar, only fees for that school will appear.
<b>Calendar Selection</b>	Calendar Options are dependent on the <b>Year</b> and <b>School</b> selected in the Campus Toolbar. If a school is selected, only calendars for that school will appear in the <b>Select Calendars</b> list. <b>Student Selection</b>	When selecting the <b>Students</b> for which the audit report should be run, users can select a previously created <b>Ad hoc Filter</b> (created in the <a href="#">Ad hoc Reporting Filter Designer</a> ) or a specific <b>Grade</b> level. Available grade levels are based on the school selected in the Campus toolbar.
<b>Transaction Selection</b>	Users can select which <b>Transactions</b> to include in the report. Entering a date range will limit the results to records created on or between those dates. See the <a href="#">Transaction Selection</a> table for descriptions of the available options.
<b>Sort By Options</b>	<b>Sort By</b> options control in what order information will appear on the audit report. Fee Assignment Due Date will be selected by default, which will sort results by the due date of the fee assignment. Fee and Student options will sort results alphabetically by Fee name or Student name.
