Generate the Extract

1. Select the Student Assessment (FA) **Extract Type**.
2. Select the **Assessment Type**.
3. Enter a **Date Range** in *mmddyyyy* format or by clicking the calendar icon and selecting a date.
4. Select the **Format** in which the report should generate.
5. Select an **Ad hoc Filter** to specify student results.
6. Select the **Calendar(s)** that should be included in the report.
7. Click **Generate Extract** to generate the report in the indicated format or **Submit to Batch**

to schedule when the report will generate. If generating multiple extracts at a time (after Campus.1921), requests can only be submitted to the Batch Queue.

Users have the option of submitting a Student Assessment report request to the batch queue by clicking **Submit to Batch** instead of Generate Extract. This process will allow larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.
