Ohio Student Assessment (FA) Extract Editor

Report Logic

Extracts report based on the selected Assessment Type. Students must be enrolled in a selected calendar for at least one day during the Date Range entered in the extract editor to report. If more than one enrollment is found, reports based on the most recent enrollment with a Service Type of P or N.

Assessment Type	Logic
Grades 3-8 Alternate Assessment (GA)	Reports a record if the student has a GA Test date within the Date Range entered with a Subject of M, R, W, S or C . All tests records found during the Date Range entered in the extract editor will report.
Ohio Graduation Test (GX)	Reports a record if the student has a GX Test date within the Date Range entered with a Subject of C, M, S, W or R and a Test Grade Level . Reports one record per student, per test, per subject. A student can have more than 5 records reported. Only students with a Diploma Date entered will report for the G reporting period.
Ohio English Language Proficiency Assessment (GF)	Reports a record if the student has a GF Test date within the Date Range entered with a Subject of Reading, Writing, Listening, or Speaking . All tests records found during the Date Range entered in the extract editor will report.
Preschool Childhood Outcome Summary (GM)	<p>Reports two records if the student has a GM Test date within the Date Range entered with a Subject of E, K or T. The first record reports for Subject E, K or T and reports Score. The second record reports for Subject EPRG, KPRG or TPRG and reports Progress. Only students with an enrollment in a State Grade Level of PS will report.</p> <p>For the K reporting period, only assessment records up to December 1st of the current year will report. For the N reporting period, only assessments between December 2nd and May 15th will report.</p>
Early Learning Preschool Assessment (GB)	Reports a record if the student has a GB Test date within the Date Range entered with a Subject of AEE, COOP, PLR, COMM, W, CLRF, CSM, SFIP, RWA, VOC, NBSN or PCT . Multiple assessment records can be reported.
Kindergarten Readiness Assessment (GO)	Reports a record if the student has a test record within the selected calendar with a State Code of GO and a Subject of OISR, SF, LL, M, S, C, or PD . Subjects S and C report two records based on Scale Score and Error Band. Subjects OISR, LL, M, PD, and SF report only Scale Score.
CTE Technical Assessment (GY)	Reports a record if the student has a test record within the selected calendar with a State Code of GY and a Code that is not null.
CTE Industry Assessment (GU)	Reports a record if the student has a test record within the selected calendar with a State Code of GU and a Code that is not null. All tests records found during the Date Range entered in the extract editor will report.
Industry Credential (GW)	Reports a record if the student has a test record within the selected calendar with a State Code of GW and a Code that is not null.

Assessment Type	Logic
American College Testing (AC)	Reports a record if the student has a test record within the Date Range with a National Code of ACT and a Subject of M, R, W, S, or EL .
Scholastic Aptitude Test (SA)	Reports a record if the student has a test record within the Date Range with a National Code of SAT and a Subject of M or R .
Advanced Placement (AP)	Reports a record if the student has a test record within the selected calendar with a National Code of AP and a Code that is not null.
International Baccalaureate (IB)	Reports a record if the student has a test record within the selected calendar with a State Code of IB and a Code that is not null.
Reading Diagnostic (RD)	Reports a record if the student has a test record within the selected calendar with a State Code of RD and a Code that is not null.
Ohio's State Tests (GN)	Reports a record if the student has a test record within the selected calendar with a State Code of GN and a Subject of C, ELA, M, R, or S .
End of Course Tests (GE)	Reports a record if the student has a test record within the selected calendar with a State Code of GE and a Subject of BIOL, GOVM, HIST, PHYS, ELA1, ELA2, ALG1, GEOM, MTH1, or MTH2 .
WorkKeys Assessment (WK)	Reports a record if the student has a test record within the selected calendar with a State Code of WK and a Subject of M, R, LCIF, AMTH, GLIT, or WDOC .
Measures of Academic Progress (DPR Growth Assessment by NWEA only) (GD)	Reports a record if the student has a test record within the selected calendar with a State Code of GD and a Subject of M or R .
Tier 1 Dyslexia Screener (DS)	Reports a record if the student has a test record within the selected calendar, a State Code of DS1 , and a Code that is not null.

Calendar(s)	Students enrolled in the selected calendar(s) will appear in the report.

Generating the Extract

1. Select the Student Assessment (FA) **Extract Type**.
2. Select the **Assessment Type**.
3. Enter a **Date Range** in *mmdyyy* format or by clicking the calendar icon and selecting a date.
4. Select the **Format** in which the report should generate.
5. Select an **Ad hoc Filter** to specify student results.
6. Select the **Calendar(s)** that should be included in the report.
7. Click **Generate Extract** to generate the report in the indicated format or **Submit to Batch**

to schedule when the report will generate. If generating multiple extracts at a time (after Campus.1921), requests can only be submitted to the Batch Queue.

Users have the option of submitting a Student Assessment report request to the batch queue by clicking **Submit to Batch** instead of Generate Extract. This process will allow larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the [Batch Queue](#) article.

<p>ScoreNot Reported</p>	<p>Identifies the reason the student did not take a required test and/or does not have a score to report. If the assessment doesn't have Score Not Reported, reports the Score Not Reported value of the parent assessment. See the following Score Not Reported Options table for values. If null, reports as *.</p> <p>For GY assessments, if a value other than * or X is entered, reports as ***. Otherwise, logic looks at the Assessment Code. If it begins with 3 alphabetic characters, the field reports differently based on when the student took the test. If that student's result is A, N, or P and the Test Date is on or after 4/1/2020, the Result reports. If the student's result is not A, N, or P and the Test Date is before 4/1/2020, the Scale Score reports.
