Create Fee Assignments Editor Options | Using the Create Fee Assignments Mode

This section applies when the **Create Fee Assignments** option was selected in the first step of the Fees Wizard.
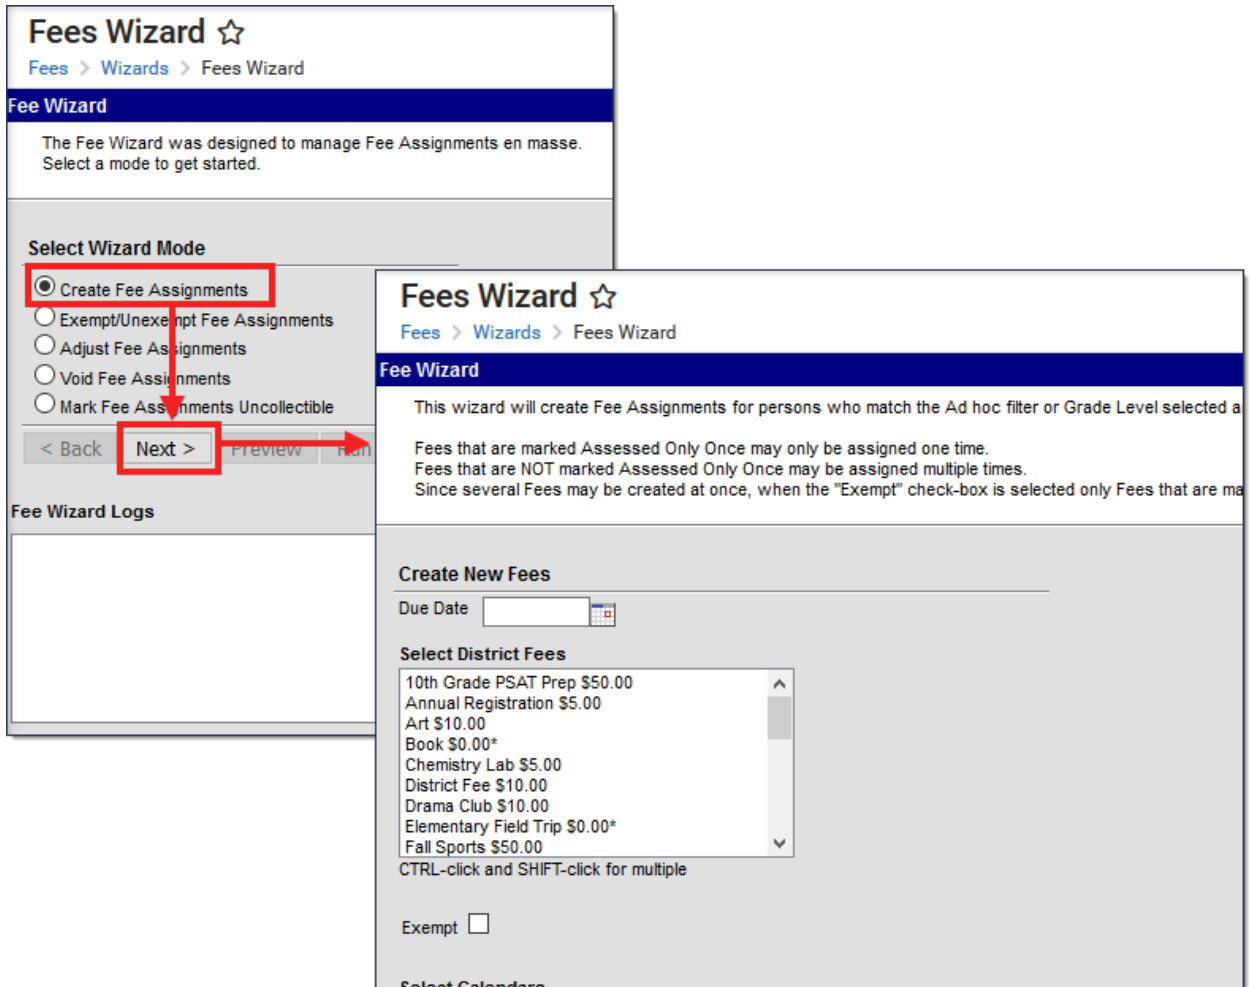

Tool Search: Fees Wizard

The Create Fee Assignments mode assigns the selected fee to students matching the selected criteria (enrolled in the selected calendar and grade level or included in the selected ad hoc filter).

Assigned Fees are visible on the student' 's Fees tab. A Fees Wizard log entry is also created and visible from the first page of the Fees Wizard.

When assigning fees, note the following:

- Fees marked as Assessed Only Once may only be assigned one time.
- Fees **NOT** marked as Assessed Only Once may be assigned multiple times.

Create Fee Assignments Editor Options

The following options are available when using the Create Fee Assignments mode:

Due Date	Entered date determines when the fee is due for payment. This date appears on the student's Fees tab.
